

Hey Parents! We believe in you! Check out what's coming this week!

WHAT ARE YOUR NEEDS FOR THIS SCHOOL YEAR?

Parents, we are praying for you, all of our children and every school faculty member. KCC would like to find out what the needs are for you as parents this school year. Please let us know here:

UPDATE ON KID EVENTS:

We understand that you and your family may need a little time to adjust to the new school year. Once school begins, we will temporarily stop virtual kid events and Power Up Kids to allow you and your family to adopt your family's rhythm while school is beginning. We will re-visit kid events again later this Fall. BUT, we will continue to send Sunday Funday lessons each week!

Sunday Funday Kid Videos for ALL KidMin Ages (Available Saturday to Saturday weekly):
